

Richard Foucaud.

Hi! I'm a **Web Integrator** since 10 years and **UX/UI Designer** since 5 years oriented **Product Designer** based in Paris. I like to help companies translate user and business constraints into useful, pleasant and intuitive interfaces.

EXPERIENCES

SoftFluent

November 2014 → Today

Web Integrator & UX / UI Designer on the SAAS RowShare product and also on many customer projects.

- Identify and understand User & Business needs, constraints
- Workshops, presentations, user research
- UX Design (Hi-Fi Wireframes / Prototypes)
- UI Design (Mockups, Design System, Branding)
- HTML, CSS and Javascript
- Medias (emails, stands, posters, book, stickers ...)
- Agile / Scrum methodology

Talks & Articles :
